Experience

Orbit Software | karnataka, Hubli

UI/UX Designer | 12/2023 - Present

- Led the design process for many mobile applications, and web application ensuring seamless user experience and consistency across iOS and Android platforms.
- Collaborated closely with product managers, developers, and stakeholders to translate business requirements into user-centric design solutions.
- Conducted in-depth user research, including user interviews, surveys, and competitor analysis, to identify user needs and pain points.
- Utilized insights from user research to create user personas, user flows, and customer journey maps to guide the design process.
- Designed wireframes, interactive prototypes, and high-fidelity mockups using tools such as Sketch, Adobe XD, and Figma.
- Conducted usability testing sessions and gathered feedback to iterate on designs and improve overall usability and user satisfaction.

Unitechno software development company | karnataka, Hubli

UI/UX Designer | 05/2022 - 03/2023

- Designed and implemented user interfaces for web applications, mobile application & websites focusing on usability and accessibility.
- Created wireframes, prototypes, and visual designs for client projects, ensuring alignment with brand guidelines and design standards.
- Conducted user testing sessions and gathered feedback to refine designs and improve user experience.
- Collaborated with cross-functional teams including developers, product managers, and marketers to deliver high-quality design solutions on time and within budget.
- Contributed to the development of design systems and style guides to maintain consistency across multiple projects.
